Subject: RE: CLEAN ENERGY SYSTEMS - EPA CLASS VI

I had reserved a room on the thought that we might have more than one joining from the office, and not realizing that the NTW call was a conflict.

I'm cancelling the room, since only Calvin, Nancy, and I are in the office this morning, and Nancy isn't planning to join the CES call, and Calvin will be on the NTW call.

I will join the NTW call for at least the first half hour, but could join the CES call if you think I should.
